Sir,

I have the honor to report that the Superintendent, Malabar District, has enlisted 20 Malayali recruits specially for service on the Gold Fields at my request, and that I have sent for these men who will arrive in a few days.

Malayalees are very well spoken of on the fields for honesty and hard work,

I

I decided therefore, after consultation with the Deputy Commissioner and Sir John Lambert to get up a strong draft of them on trial. If not found suitable they will be got rid of having been enlisted on six months' probation.

I have been obliged to pay these men's Railfare at the rate of 3—0—0 per head from Calicut to Bowringpet, without this I could not have got them up.

In view of the special circumstances of this case, I have the honor to request that the amount maybe sanctioned out of Secret Service money or that some special provision may be made in order that the money maybe paid into this office at once. The Office is so badly off in the way of permanent advance that there is not enough money available for current expenses and I have had to pay certain amounts out of my own pocket.

I have etc,

Forwarded to the Inspector General for favor of orders.

As there are a large number of Moplahs and Malayali Coolies employed on the Field, it was considered necessary to get a few Constables from the West Coast. These west Coast men are of good physique, and are reported to be wonderfully honest and hardworking.
